Professional Experience

On Site Service Specialist Printing Operations, RICOH, Providence, RI - 2017-2018

Worked with design team in producing sharp and impressive lottery proposals. Worked with IGT proposal team for Quality Assurance to provide smooth transitions to for

finish product to be sent out to bidders. Became proficient in using Adobe Pro

While collaborating with Quality Assurance I was given the opportunity to experience and enhanced one of the most important skill sets dealing with teamwork which is communication.

On Site Service Specialist Mail Service Operations, RICOH, Providence, RI - 2015-2017

Part of initial mailroom services team introducing the new system into Brown University.

Used interpersonal and customer service skills to provide a smooth transition in a fast paced

Environment. Recognized for establishing a rapport with students, increasing correspondence products,

and a more efficient use of the system. Uses multi-tasking and organizational skills to work in an and

cross-functional team. Spotlighted and commended as one of Brown University's Celebrated Employees.

Physical Education Coach, Newman YMCA, Seekonk, MA - 2010-2014

Implemented the first flag football team in Newman by actively enlisting parents to sign

up their children. Created practice schedules and game plans for football, basketball and soccer.

Refereed games and developed technical skills. Attained a \$10,000 profit from the implemented flag football team over a 12 week session.
